

Electro- Maxx wish to
Congratulate Electricity
Regulatory Authority (ERA)
and the Getfit
Program on achieving this
milestone, We are proud of
cooperating with ERA to
develop energy for Uganda.
We wish ERA and the
GETFIT program future
success.

Electro-maxx is a thermal power plant licensed by Electricity Regulatory Authority (ERA) to generate 50MW.
It is the first Indigenous Independent Power Producer in Africa with more than 20MW.
