

Jacobsen Uganda Power Plant Company Limited

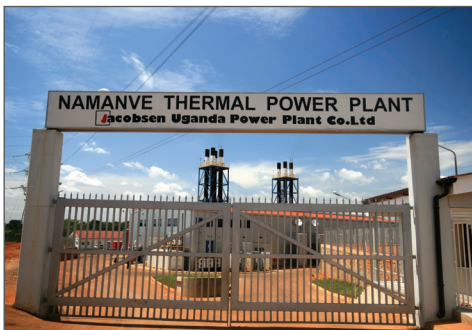

CONGRATULATIONS!

Jacobsen Uganda Power Plant Company Limited (JUPPCL) is a subsidiary of **Jacobsen Elektro AS (JEL)**, a Norwegian company that runs the 50MW Thermal Power Plant at Namanve, Mukono District under the Build, Own, Operate and Transfer public private partnership contract with the Government of Uganda.

Since the start of operations in September 2008, JUPPCL and the local community in Mukono has established a positive and dynamic relationship that has resulted in solving nuisances that the thermal power plant had created, and established a cooperation in developing Corporate Social Responsibility Projects in Education, Public health, Youth empowerment and sports and Environment among others that aim at improving the wellbeing of the community locals around the plant.

*The Board of Directors,
Management and Staff of Jacobsen
Uganda Power Plant Co. Ltd
(JUPPCL) wish to Congratulate
the Uganda Electricity Generation
Company Ltd (UEGCL) and the
government of Uganda upon the
commissioning of the 183MW
JSMBA Hydropower Project.*

*We are proud to be associated with
this development in Uganda's energy
sector contributing to the country's
National Development Plan.*
