

**CONGRATULATIONS TO UGANDA ELECTRICITY GENERATION  
COMPANY LIMITED ON BEING AWARDED THE ISO 9001:2015  
QUALITY MANAGEMENT SYSTEM CERTIFICATION.**

Uganda Electricity Generation Company Limited (UEGCL), which is mandated to oversee the efficient production of electricity power in Uganda, among other duties, has officially received their ISO 9001:2015 Certification. Eskom Uganda Limited congratulates the entire UEGCL Team for doing such a phenomenal job in reaching certification.

We are proud to be associated with UEGCL and continue to pledge our support to apply prudent utility practices in the operation and maintenance of Nalubaale and Kiira Hydro Power Plants in Jinja.
