JET-TECH SECURITY (U) LTD

The Directors, Management and Staff of Jet-Tech Security Uganda Ltd wish to **CONGRATULATE** the Arab Contractors Uganda on this occasion in marking their 20th Anniversary. We are glad to be part of this journey from the start in the provision of total security solutions to you.

JET-TECH SECURITY UGANDA LIMITED is a well-established private security company regulated by Uganda Police that offers secure solutions to its clients. Jet-Tech Security Uganda Ltd is a domestically owned and operated private company with specialized technical and human resource of over 700 both male and female, well trained security personnel and well trained sniffer and guard dogs. The company was set up in 2013 after realizing that there was a need to form an all solutions private company that can adequately recognize and deal with all security challenges as may arise.

Jet-Tech security has skilled management team of ex-service men /women and other professional staff to serve customers at all levels. Our internal structure is formed in a manner that it can comprehensively address client needs.

We are a company which applies the necessary skills to ensure security of property and life of our clients thus enabling them to focus on their core business activities. We have as a consequence developed our capacity in the provision and maintenance of security of critical installations and environments. Our previous training, experience and awareness of Uganda's security challenges gives us unrivalled advantage over other organizations in the same industry due to

our holistic security solutions thus providing our clients value for money.

We offer the following services among others,

- Operational armed and non-armed guards for both urban and remote areas
- Events protection
- Quick response Unit
- Investigation and vetting services
- Critical Assets/installation security
- Access control
- Perimeter intrusion Detection systems
- Alarm and CCTV services
- K9 dog services
- Escort and close protection services

JET-TECH SECURITY UGANDA LIMITED ALSO PROVIDES SPECIALISED CALL-UP SERVICES WHEN THE CLIENT REQUIRES SECURITY SOLUTIONS.
