REQUEST FOR EXPRESSION OF INTEREST (EOI) FOR PROVISION OF EPC PACKAGE 2 CONSTRUCTION SUPERVISION SERVICES FOR KINGFISHER FIELD DEVELOPMENT PROJECT IN UGANDA

Procurement Reference Numbers: RFP-CUL-LD-00296

CNOOC Uganda Limited a subsidiary of China National Offshore Oil Corporation (CNOOC) is an Oil and Gas Exploration and Production Company, and Operator of the Kingfisher Development Area located in Kikuube District, Western Uganda.

CNOOC Uganda Ltd now invites Professional and Competent Engineering Consulting Companies to express their interest to provide the services of EPC Package 2 Construction Supervision Services for the Kingfisher Field Development Project in Uganda.

Construction Supervision and Consulting Service for EPC Package 2 Execution

These services are limited to a Ugandan Company (Find the definition of a Ugandan Company under The Petroleum (National Content) Regulations 2016). The Ugandan Company bidding for the services is recommended where possible to partner with highly qualified International Engineering Company.

Kingfisher EPC Package 2 comprises of Engineering, Procurement, Construction and Installation of a Permanent Camp, Supply Base and Safety/Security Check Station

The scope of work for the Supervising Contractor will include, but not limited to, the following:

- Develop ITP on material receiving, civil works, welding works, equipment erection works ...etc
- Review and approve the Construction execution plan and ensure that the construction schedule has been met.
- Quality Control and Quality Assurance of construction activities to ensure project target and standards have been met.
- Assist in Construction HSE management and interface management together with other project management members.

- Review and verification of punch list, change order request, and Mechanical Completion request.

Minimum Requirements for this Service include:

- QHSE policy, project supervision procedure and process in compliance with the international industry standards;
- Qualification, certification on Project Supervision especially in Oil & Gas industry.
- Performance and /or provision of similar experience in oil & gas industry in Uganda, East Africa or internationally;
- Suitably qualified and experienced personnel, and their availability;
- Financial capability to undertake the contract; (Provide Audited Financials for the past 3 years)
- Commitments to National Content requirements of the Government of Uganda;
- Evidence of Registration on the National Supplier Database (NSD) with the Petroleum Authority of Uganda. (In case of Partnership, both members shall be registered on NSD)

Interested parties may indicate their interest to participate in the Pre-qualification (PQ) process by forwarding their EOI, attached with adequate supporting documents, to the e-mail address of procurement@cnoocuganda.com, captioned with the description and reference number (e.g EOI for) in the subject of your e-mail, no later than **14:00Hrs, 6th November, 2020.**

Late submissions will be rejected.

Upon closure date for EOI, CNOOC will screen the bidders who shall have expressed interest against the minimum requirements mentioned above. PQ questionnaire will be released to those who are found to have met the minimum requirements specified above, and Request for Proposal (RFP) will be issued to those who shall have successfully passed the PQ process.
