## REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF MODULAR BUILDINGS (CONTROL ROOM & PRE-ENGINEER BUILDINGS) – REF. 190430

WorleyParsons Europe Limited as EPcM Early Services Contractor for EACOP Project invites experienced and reputable Contractors to express their interest in providing Modular Buildings for the East African Crude Oil Pipeline (EACOP) Project.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies partaking in the development of Exploration Areas 1, 1A, 2 and Kingfisher Discovery Area in the Albertine Graben in Uganda or their affiliates will participate in the implementation of the EACOP Project (Potential Pipeline Participants).

The EACOP Project development involves the engineering, construction, operation and maintenance of a crude oil export pipeline crossing Uganda and Tanzania and an onshore Marine Terminal in Chongoleani, near Tanga Port in Tanzania.

### BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS

EACOP preliminary list of Modularised Buildings:

Building Type	TOTAL No.
Central Control Building	1
Medical Clinic Buildings	3
Operators Facilities Buildings	3
Laboratory Building	1
Operators Dwellings	8
Office Buildings	6

All above representing approx. 320 sub-unit modules

The requirements for Modular Buildings shall include:

- Building sub-units designed for all forces due to transportation by road, rail and sea.
- Building sub-units designed for re-assembly and tightness (to maintain positive air pressure).
- Building sub-units designed to provide "plug and go" capability.
- The design and supply of all associated equipment, fixtures and appurtenances required for installation, operations and maintenance.

The scope is for design to final delivery of EACOP Modularized Buildings sub-units and will include all design, sourcing of material, manufacturing, assembly, packaging, supply of drawings and data, all sub-vendors co-ordination, factory testing, delivery FCA vendor and guarantees.

### MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- A commitment to and evidence that they have experience in developing local / national content value.
- Confirmation that they can manufacture and comply with all applicable Uganda, Tanzanian and other international standards.
- An experience list for similar modular buildings supplied to the Oil and Gas market or similar industrial market in the last five (5) years.
- A copy of their own and main suppliers ISO 9001:2015 and 14001:2015 & OHSAS 18001 (ISO45001:2015) current certification.
- Extracts from their Supply Quality Management Procedures, showing how material quality control is implemented in the supply chain and identify what positive material identification is implemented through the manufacturing process.
- A two (2) years look ahead shop loading chart for the facilities intended to manufacture, assemble and test.

Interested companies which meet the minimum requirements and have the capacity to provide the goods listed above should express their interest by sending together with the above listed documents an email to [Modbuilding@EACOP-Proc.com](mailto:Modbuilding@EACOP-Proc.com) (Max. Email Size: 20 MBs & All documents must be submitted in the English language) on or before 17:00 hours East African Time (EAT), on 15<sup>th</sup> May 2019.

Companies satisfactorily meeting the above minimum requirements will receive, subject to the signature of a Non-Disclosure Agreement (NDA), a detailed pre-qualification questionnaire for further evaluation by Company.

**Note:** Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process.
