

Is your company protected from the Internet of Risk?

With CyberEdge[®] cyber insurance solutions you can enjoy the Business Opportunity of Things.

By 2016, 20 billion objects will be connected to the Internet, what everyone is calling the Internet of Things. This hyperconnectivity opens the door both to the future of things, and to greater network vulnerabilities. CyberEdge end-to-end cyber risk management solutions are designed to protect your company from this new level of risk. So that you can turn the Internet of Things into the next big business opportunity. To learn more and download the free CyberEdge app, visit www.AIG.com/CyberEdge
