

MINISTRY OF AGRICULTURE, ANIMAL INDUSTRY & FISHERIES (MAAIF)

World Food Day 2018

H.E. Yoweri Kaguta Museveni
President of Uganda

Hon. Vincent Bamulungaki Sempijja
Minister for Agriculture, Animal
Industry and Fisheries

Hon. Christopher Kibanzanga
State Minister for Agriculture

Hon. Joy Kabatsi
State Minister for Animal
Industry

Mr. Pius Wakabi Kasajja
Permanent Secretary

Ministry Vision: “A competitive, profitable and sustainable agricultural sector.”

Ministry Mission: “To transform subsistence farming to commercial agriculture.”

The Ministry of Agriculture, Animal Industry and Fisheries (MAAIF), National Agricultural Research Organization (NARO), the Food and Agriculture Organization of the United Nations (FAO) and the Nabilatuk District Local Government join Uganda and the rest of the world in the activities of the 2018 World Food Day that will take place today the 16th of October 2018.

The venue for the World Food Day activities is the Nabuin Zonal Agricultural Research and Development Institute (Nabuin ZARDI) in Nabilatuk District.

This year's World Food Day theme is
“A zero hunger world by 2030 is possible.”

World Food Day Activities

There are exhibitions and demonstrations of the latest technologies for increasing agricultural production and productivity and awards for outstanding winners of the national World Food Day competitions organized at the Nabuin ZARDI.
