

# Job Opportunity

Management Sciences for Health (MSH) is a nonprofit international health organization composed of nearly 2500 people from more than 74 nationalities working in over 50 countries. Our mission is to save lives and improve the health of the world's poorest and most vulnerable people by closing the gap between knowledge and action in public health. Together with our partners, we are helping managers and leaders in developing countries to create stronger management systems that improve health services for the greatest health impact.

MSH is searching for qualified persons to fill the following positions:

- 1) **Technical Advisor, MDR TB (Kampala),** <https://jobs-msh.icims.com/jobs/9040/technical-advisor---mdr/job>
