The Board of Directors, Management and Staff of the Civil Aviation Authority congratulate His Excellency, President Yoweri Kaguta Museveni, the National Resistance Movement, the Cabinet and all Ugandans on this occasion to mark the 33rd NRM Liberation Anniversary.

The conducive environment has enabled the aviation industry in Uganda to register a significant increase in the volume of flights, passengers and cargo in and out of Entebbe International Airport.

The Authority's five year (2019-2023) strategic plan further emphasises the need and commitment to provide the safest, most efficient and affordable air transport service.
