

BID NOTICE UNDER OPEN DOMESTIC BIDDING

USAID Regional Health Integration to Enhance Services in Eastern Uganda (USAID RHITES-E)

PROPOSED MAJOR RENOVATION WORKS FOR INFRASTRUCTURE IMPROVEMENT AT SELECTED HEALTH FACILITIES – SAVING MOTHERS GIVING LIFE (SMGL): (Lots 4, 5, 6 and 7)

Procurement Nos.: INTRAH/WRKS/2020/054-4; INTRAH/WRKS/2020/054-5; INTRAH/WRKS/2020/054-6; INTRAH/WRKS/2020/054-7

The Regional Health Integration to Enhance Services in Eastern Uganda (RHITES-E) Activity is a five-year activity funded by USAID and awarded to IntraHealth International, Inc., supporting the Government of Uganda (GOU) and key stakeholders to increase availability and utilization of high-quality health services in 25 districts in Eastern Uganda and 5 in Karamoja. The district support will be achieved through strengthening of health systems, improving the quality of integrated HIV/AIDS, TB, Maternal, Newborn and Child Health (MNCH), Reproductive Health (RH), Nutrition and Malaria Services; increasing availability of, access to, and demand for these services with attention to equity and underserved populations. USAID RHITES-E plans to support the aforementioned districts (excluding Karamoja districts) to improve health facility infrastructure with key focus on Maternal, Newborn and Child Health, including: Antenatal care (ANC) units, Maternity Units, Operating theatres, Latrines and Waste management facilities.

RHITES-E has mobilized funds to undertake renovation & remodelling works for infrastructure improvement at selected sites in the activity districts. The purpose of this bidding exercise is to competitively identify contractors to undertake the proposed works. The works shall comprise but not be limited to the following:

- Expansion/ Extension of functional work spaces including Delivery rooms, Duty stations, antenatal clinic consultation rooms, postnatal / Neo-natal wards & other facilities within the maternity units;
- Renovation & Remodelling of existing maternity units to improve their functionality.
- Construction of dedicated VIP latrines & Shower facilities for Maternity Wards, and/or
- Construction of a Placenta Pit, Solid waste bunkers & Medical Waste Pits and/or

- Renovations works to selected existing latrines, placenta pits & medical waste pits, and/or
- Miscellaneous renovation works of selected spot items as identified at each site;

Lot 4: Bukedi Cluster: Kwapa HC III & Kiyeyi HC III in Tororo District. (INTRAH/WRKS/2020/054-4)

Lot 5: Bukedi Cluster: Budaka HC IV in Budaka District; (INTRAH/WRKS/2020/054-5)

Lot 6: Teso Cluster: Bukedea HC IV & Kabarwa HC III in Bukedea District. (INTRAH/WRKS/2020/054-6)

Lot 7: Teso Cluster: Tubur HC III in Soroti District & Asamuk HC III in Amuria District. (INTRAH/WRKS/2020/054-7)
