OUR MISSION

"To develop and promote competitive and export led private sector through accelerating industrial development, for economic growth and development."

OUR VISION

"Sustainable cooperatives, competitive trade and world class industrial products and services."

It's important to note that the development of any country's economy is largely driven by trade and industry. Uganda's trade and industry sector has been one of the vibrant sectors, growing in leaps and bounds to make Uganda one of the most strategic areas to carry-out trade in the entire East and Central African regions.

We pledge to continue fulfilling our mandate through the following priority intervention areas;

- Catalysing Industrial & Economic Development
- Trade promotion
- Market access
- Regional integration
- Standards and quality assurance
- Trade in services
- Business incubation
- Industrial research and product development
- Micro, Medium, Small and Medium scales Enterprises (MSMEs) development Cooperative development
- Promotion of trade facilitating infrastructure such as storage facilities, border markets, model processing facilities, industrial parks, and the e-Single window
- Revitalising the Co-operative Movement

Long Live Museveni! Long live NRM Long live Uganda!
