

Congratulatory Message!

Every year on May 9, Europe day is celebrated all over the world in countries where the European Union (EU) and its partners have provided support in the area of health, education, road infrastructure, water and sanitation and good governance.

The EU's support through the Democratic Governance Facility (DGF) to the Foundation for Human Rights Initiative (FHRI)'s voter education campaigns like *Honour Your Vote*, *Votability* and *Topowa* is highly invaluable. The specific support to CCEDU and CEON is reflective of the EU's commitment to promoting human rights, good governance and sustainable development in Uganda and the world over.

On this occasion of the Europe day, we reiterate our shared objective with the EU. We salute the Head of Delegation of the European Union to Uganda, the staff and the people of Europe and express our utmost appreciation for your continued support to Uganda.
