Pre-Qualification of Suppliers and Service Providers for Goods and Services for the Period 2016 to 2018

Management Sciences for Health (MSH) is an international non-governmental organization working in over 150 countries worldwide to strengthen health systems and services. In Uganda MSH is implementing several USAID funded projects. These include the Uganda Health Supply Chain (UHSC), Strengthening TB and HIV & AIDS Response in Eastern Uganda (STAR-E), Track Tuberculosis (Track TB, African Strategies for Health (ASH) and Supply Chain Management System (SCMS).

The MSH Country Operations Management Unit (supporting the unified operations platform for MSH - Uganda projects to achieve economies of scale and to share knowledge and resources), is in the process of pre-qualifying competent firms which shall be called upon from time to time, to quote/tender for the supply/ provision of various Goods and Services during the financial years 2016, 2017 and 2018. MSH now invites suitably qualified firms to submit sealed pre-qualification submissions for Goods and Services listed below.
