

# Connecting WITH NATURE

As the Joint Venture Partners; CNOOC, Total E&P Uganda and Tullow Uganda Oil PTY Ltd we commemorate the World Environment Day 2017 under the theme 'Connecting with Nature' by reiterating our commitment to the protection of the environment during our operations.

As we undertake the development phase of the Lake Albert oil resources it is our collective goal to be a benchmark for the industry in the adoption of leading technology and practices in the protection of our biodiversity. We undertake our operations while;

**N**

Employing new & innovative technologies to protect the environment during our operations such as 3D cable-less seismic acquisition

**A**

Applying International good practices such as the International Finance Corporation (IFC) performance standards, also the most stringent on conservation of environment and biodiversity

**T**

Teaming up with relevant authorities to ensure compliance in all our operations and independent experts such as the Biodiversity and Livelihoods Advisory Committee comprising of national and international specialists in the field of biodiversity, social and environment management

**U**

Undertaking Environment Impact Assessments before any activities are conducted

**R**

Restoring all former sites of our operations to their original state following the completion of our activities

**E**

Emphasizing the adherence to international and national laws and regulations as well as our internal biodiversity and environment charters.
