Congratulations

The Board, Management and Staff of Electricity Regulatory Authority congratulate Uganda Electricity Generation Company Limited upon achieving the ISO 9001:2015 Certification.

As a regulator of Uganda's Electricity Supply Industry, we recognize your efforts towards proficient supervision of the development and operation of electricity generation facilities to ensure reliable, quality and affordable electricity supply.

Your commitment towards provision of quality services will propel Uganda to move from a peasantry to a middle income state.

With this achievement, we look forward to Uganda's Electricity Supply Industry's growth, with a target of achieving universal access to clean energy by 2040.

ERA is committed towards working with UEGCL and other stakeholders to ensure the sustainability of Uganda's Electricity Supply Industry.

Sustainable Electricity Supply
