EDUCATING OUR CHILDREN FOR LIFE

Aga Khan Education Service, Uganda runs co-educational day schools located in central Kampala offering both National and International curriculum pathways and attended by over 30 nationalities at Nursery, Primary and Secondary levels.

Curriculum

At the Aga Khan Primary School, students in the International Curriculum are prepared through the Cambridge International

ACADEMIC RESULTS 2018

- 100% graduating students were awarded a full IB Diploma
- 81% of students achieved 5A* - C grade at IGCSE
- 94.2% Pass rate in Primary Cambridge Check Points

Primary Programme (CIPP) from Year 1 to Year 6 leading to the Primary Cambridge Check Points.

ADMISSIONS

The High School is now accepting applications for the few remaining spaces for the IB Diploma programme. Admission is by interview and presentation of public exam results (IGCSE or UCE)

Michael Musaaazi - Head teacher

HEAD TEACHER'S COMMENT

Many parents are taking a keen interest in the Cambridge International curriculum because it is more engaging and provides a varied assessment criteria which is tailored to suit the individual learner abilities. Not to mention that the curriculum has a global recognition and is widely accepted as a good foundation for Higher studies and per-university courses in many countries.
