

30
YEARS
Of STEADY
GROWTH

www.roofingsgroup.com

Congratulations to the leadership and cadres of the National Resistance Movement for **30 years of improved service delivery, improved infrastructure and wealth creation for all persons and all households.** At Roofings, we are proud to be part of this economic era that has seen us emerge as the leading producer of steel products in the Great Lakes Region and playing a huge role in the undertaking of both private and public construction projects.

Strength of a nation
