

## *From Sugarcane to Electricity*

The Management and Staff of Kakira Sugar congratulates the Board of Directors and Staff of Electricity Regulatory Authority (ERA) upon your major achievements in the development of the Energy Sector in Uganda and being ranked No.1 in 2018 African Development Bank Electricity Regulatory Index.

Kakira's Cogeneration of electricity from sugarcane fibrous residue produces a total of 52 MW of electricity of which 32 MW is supplied to the national grid.

Together we build a better Uganda
