MMU GRADUANDS AT THE MAIN CAMPUS

MOUNTAINS OF THE MOON UNIVERSITY - SAAKA CAMPUS

BREAKING NEWS: MMU in 5th POSITION

Mountains of the Moon University (MMU) has been ranked among the top five (5th) Universities in Uganda. (Source: www.webometrics.info/en/africa/uganda - July 2016). Mountains of the Moon University is a private University licensed by the National Council for Higher Education (NCHE) in Uganda.

MMU was established in 2005 and it is unique in Uganda as it was founded by the community, is owned by the community, is governed by the community and is answerable to the community in the Ruwenzori region in western Uganda. All the surplus funds generated are re-invested in the University.

OUR VISION:

"To be a Centre of Excellence in teaching, research and service to the community"

OUR MISSION:

"To produce outstanding, well rounded, morally upright and innovative graduates with a knowledge base for making a positive impact on the community".

TEACHING, RESEARCH AND COMMUNITY SERVICE:

All of our lecturers are fully qualified and highly experienced in delivering quality education using learner centred techniques at our lake Saaka and Kabundaire campuses.

Students at MMU also have full access to our library which contains over 15,000 volumes of books and thousands more in electronic format to assist them in their research studies.

MMU conducts community outreach programmes in the areas of health, agriculture, business, environment and technology with communities most in need of such programs.

FLEXIBLE STUDY OPTIONS:

In order to make our programmes of study more accessible to people, we offer a variety of flexible study options which include Day, Weekend and Distance programmes

BURSARIES:

Being Uganda's only University, we understand the many challenges our students face. To help ease some of these challenges, we offer students applying for our Bachelor programs a 25% reduction in tuition fees through our bursary scheme.

The scheme is aimed at students who have excelled in their secondary education but find it a challenge to meet the costs associated with university education. MMU works closely with District Local Governments, Kingdoms and religious organisations across Uganda to assist in identifying these students.

MMU has over 45 accredited programmes of study and the **2016/2017 intake is still open up to 31st August 2016**. Please pick an application form from the Registrar Academic – Kabundaire Campus or from our information centres across the country.

9TH GRADUATION:

The 9th Graduation Ceremony will be held on 30th September 2016 starting at 8:00 a.m at Lake Saaka Campus. The Guest of

Honour will be The Minister of Education and Sports;

Hon. Janet K Museveni
