

MOUNTAINS OF THE MOON UNIVERSITY

P. O. BOX 837 – FORT PORTAL, UGANDA

Email: info@mmu.ac.ug or registrar@mmu.ac.ug

Uganda's First Community University: Mountains of the Moon University was established in 2005 as a **unique** University in Uganda since it was Founded by the Community, Owned by the community, Governed by the community and Answerable to the community. All the surplus funds generated are re-invested in the University.

A Chartered Public University: Mountains of the Moon University attained a **Charter Status on 27th March 2018** and at it is **currently under a transition of being converted into a Chartered Public University** regulated by the National Council for Higher Education (NCHE) of Uganda.

MMU offers **over 59 accredited** programmes of study in the areas of Business, Agriculture, Environmental Sciences, Public Health, Nursing, Midwifery, Education, Informatics, Computing and Social Sciences at Postgraduate, Bachelors and Certificate levels at Lake Saaka and Kabundaire Campuses.

Global Rankings: MMU was ranked among the **top eleven Universities** in Uganda (webometrics, Jan 2019 – www.webometrics.info/en/africa/uganda). In 2012, MMU was ranked among top 20 Universities in East Africa (CPS International, Nov 2012).

OUR VISION:

"To be a Centre of Excellence in teaching, research and community engagement"

OUR MISSION:

"To produce outstanding, well rounded, morally upright and innovative graduates with a knowledge base for making a positive impact on the community".

TEACHING, RESEARCH AND COMMUNITY ENGAGEMENT:

All the lecturers of MMU are **fully qualified** and **highly experienced** in delivering quality education using learner centred techniques. This allows for a more inclusive and productive learning environment which is carried out in **adequately equipped facilities** at our Lake Saaka and Kabundaire campuses. Students at MMU also have full access to our library which contains over **15,000 volumes** of books and thousands more in **electronic format (e-library)** to assist them in their research studies.

MMU conducts **community outreach programmes** in the areas of health, agriculture, business, environment and technology with communities most in need of such programs.

FLEXIBLE STUDY OPTIONS:

In order to make our programmes of study more accessible to students, we offer a variety of **flexible study options** which include Day, Weekend and Distance programmes.

BURSARIES:

Being Uganda's only Community based University, we understand the many challenges our students face. To help ease some of these challenges, we offer students applying for our **Bachelor programs a 50% reduction** in tuition fees through our bursary scheme.

The scheme is aimed at students who have excelled in their secondary education but find it a challenge to meet the costs associated with university education. MMU works closely with District Local Governments, Kingdoms, NGOs and Religious organisations across Uganda to assist in identifying these students. We also offer **75% to Sports** talented students.

GOVERNMENT LOAN SCHEME:

Since MMU is a chartered University, the students are eligible to apply for **Government loans** through the **Higher Education Students Financing Board**. For more information on the students loan scheme; log on www.hesfb.go.ug
