

NAKAWA VOCATIONAL TRAINING INSTITUTE

TRAINING OPPORTUNITIES IN SOLAR PV INSTALLATION

Nakawa VTI in conjunction with HWK-TVET Partnership project invites applications for a short-course training in Solar PV sizing installation, and trouble shooting.

The short course duration will be in 2 categories, that is to say;

Four (4) weeks (8:00AM – 4:00PM), Monday – Friday (day classes)

or

six (6) weeks (4:00 PM – 7:00PM) Monday – Friday (evening classes) + 3 Saturdays (8:00AM-5:00PM)

Costs:

160,000/= per week for non-residential

+45,000/= per unit for accommodation + feeding

Minimum requirements;

- Basic electricity
- Basic Solar PV experience

Target groups

- Fresh vocational and technical graduates (major in electrical installation)
- Unemployed but with work experience in solar PV installation

Dates for the training:

4 weeks - 28th August – 22th September, 2017

6 weeks - 28th August – 6th of October, 2017

Interested persons who meet the minimum requirements and have passion for this training should pick application forms from Nakawa VTI. (Note: Application forms are free of charge)

Deadline for submission of application is **Thursday, 24th August 2017**.
