

UGANDA BUSINESS AND TECHNICAL EXAMINATIONS BOARD (UBTEB)

UBTEB REGISTERS MONUMENTAL STRIDES IN COMPETENCE BASED ASSESSMENT FOR APPROPRIATE SKILLS DEVELOPMENT IN UGANDA

Uganda Business and Technical Examinations Board (UBTEB) is a prestigious and leading Competence Based National Examinations Board mandated by the BTVE Act 2008 with the mandate to streamline, regulate, coordinate and conduct credible national examinations and award Certificates and Diplomas in the Business, Technical and Vocational/ specialized education or training in Uganda.

UBTEB was operationalized by Statutory Instrument 2009 No.9 (Establishment of the Uganda Business and Technical Examinations Board).

We are the only recognised Technical, Business, vocational and specialised awarding body in Uganda currently examining over 200 nationally accredited/approved programmes and trusted by over 500 training institutions accredited as UBTEB examination centres spread all over the Country. UBTEB

is highly committed to skills development in Uganda with emphasis on Competence Based Assessment and a focus on assessing Practical Skills and Applied knowledge.

VISION

A Center of Excellence for Competence Based Assessment, Examinations and Awards.

MISSION

To conduct Competence Based Assessment (CBA) and examinations and issue awards for business, technical, vocational & other specialized training.

NICHE OF UBTEB EXAMINATIONS

UBTEB examinations embrace principles of competence based education and training. Our mode of assessment involves real life projects, continuous assessment and monitoring of industrial training. UBTEB conducts both practical and knowledge based

examinations in a more systematic manner since 2011. These have enabled students to acquire hands-on skills and applied knowledge which are critical for driving innovativeness for social economic transformation for national development.

POLICY SHIFT

UBTEB is the only mandated body to assess and award Post O'Level Certificate programmes in Business, technical, Vocational programmes and specialized programmes apart from health related programmes. The Board has accredited all tertiary training institutions and universities that offer programmes at this level to enable standardization of awards in Uganda.

NOTE:

1. All programmes examined by UBTEB at Certificate and Diploma level take a duration of two years.

2. Programmes examined by UBTEB keep increasing as and when accredited/approved by the nationally mandated Departments and Agencies.
3. Entry requirements are inline with the approved curriculum for each programme.
