
Recruitment of a Servicer for the aBi Agricultural Bond

Agricultural Business Initiative Trust (aBi Trust) is a multi-Donor entity, founded by the Governments of Uganda and Denmark and is devoted to private sector agribusiness development through the provision of both technical and financial capacity building for agribusiness development in Uganda.

aBi Finance is the investment arm of aBi Trust and through an agricultural bond, is seeking to raise long term, affordable funding for the Uganda Agricultural sector.

In 2015, aBi Finance incorporated a Special Purpose Vehicle, aBi Agricultural Bond Company Ltd (aBi ABC Ltd) that will issue a mid-long term corporate agricultural bond to raise up to USD 30m for on lending to Agribusinesses. The note will be issued in multiple tranches of USD 5m – 10m, with bond tenors ranging from 5–7 years. The tenor will be matched to the bond investor's preference and debt terms offered to likely borrowers. It is the intention of aBi ABC Ltd that this bond be listed on the Uganda Securities Exchange (USE) in order to deepen the Ugandan Capital Markets.

aBi ABC Ltd is currently recruiting a Servicer who is key to the implementation and success of this issuance. Licensed Fund Managers and Financial Institutions are encouraged to apply.
