*The Board of Directors , Management & Staff of
Uganda Electricity Distribution Company salute*

*His Excellency the President of the Republic of Uganda, Yoweri Kaguta
Museveni, the Government of Uganda and the entire working fraternity
on this 2016 International Labour Day.*

***UEDCL takes this
opportunity to
appreciate our
stakeholders, partners
and clients of our pole
products for working
closely with us in the
endeavor to fulfill our
mandate.***

We remain steadfast in monitoring the management and investment made in electricity distribution assets under the lease and assignment agreement with UMEME to ensure vital economic growth and development.

UEDCL operates a pole treatment plant at Lugogo manufacturing the Electripole brand of poles. Our pole products have been the backbone of Uganda's electricity distribution and transmission networks for over 50 years now.

Our Mission:

To administer the lease and assignment agreement, for compliance requirements and to grow other electricity distribution assets by 10% per annum.

Our Vision:

A guaranteed robust electricity distribution network.
