**BID ANNOUNCEMENT No. 09/2019**

**Environment and Social Impact  
Assessment (ESIA)**

The President's Malaria Initiative (PMI) VectorLink Uganda Project is funded by the United States Agency for International Development (USAID), and aims to contribute to PMI's goal to halve the burden of malaria in 70 percent of at-risk populations in sub-Saharan Africa.

In Uganda, the project works closely with Ministry of Health (MoH), National Malaria Control Programme (NMCP), the District Leadership, and Local Non-Governmental Organizations (NGOs) with the aim of reducing the malaria burden through Indoor Residual Spraying (IRS) in the 16 project districts of **Alebtong, Amolatar, Budaka, Butaleja, Dokolo, Namutumba, Pallisa, Butebo, Bugiri, Kibuku, Lira, Otuke, Serere Tororo, Kaberamaido** and **Kalaki**.

We therefore seek the services of a registered, experienced and NEMA certified environmental practitioner to conduct an ESIA for the introduction and use of new insecticides for IRS.

All interested firms with valid trading license and VAT registration are invited to pick up the complete bid documents at our offices located at the **PMI VectorLink Uganda Office, Plot 86 Luthuli Avenue, Bugolobi** or send e-mail request to **Eva\_kabwama@pmivectorlink.com** and submit their bids according to the specifications and terms stated in our bid document on or before **Wednesday, 18<sup>th</sup> September, 2019 at 2:00pm Local time**.

The bid document is available free of charge. Abt Associates Inc. PMI VectorLink Project reserves the right to accept or reject any or all bids.
