

Celebrating Joint Nordic National Day

Established in 1922, DanChurchAid (DCA) is one of the major Danish humanitarian Non-Governmental Organisations. DCA supports the poorest of the world in their struggle for a dignified life. We provide emergency relief in disaster-stricken areas and long-term development assistance in poor regions to create a more equitable and sustainable world.

As DCA we have shown leadership and maintained our 100 years of tradition for action and innovation. By experimenting and testing new ways of working with volunteers, donors and partners, DCA helps people in poverty and distress to find a better life and have hope for a better world.

DCA has been working in Uganda since 1979 and is currently implementing programmes in Active Citizenship, Right to Food and Humanitarian Response.

These programmes ensure that:

- Women and young people participate in decision-making processes and hold their leaders accountable to improved delivery of services, increased protection and support to human rights for equitable development.
- Marginalised communities have secure access to land and are producing adequate food for household consumption, generate income, and are resilient to conflict, environmental and climate change challenges.
- Refugees and displaced persons have access to life-saving and socio-economic services for self-reliance, sustainable livelihoods and fulfilment of their rights.

DCA operates in **Karamoja (Moroto, Nakapiripirit, Amudat, Napak and Kotido Districts), Teso (Amuria and Katakwi Districts) and West Nile (Yumbe and Arua Districts).**
