

CALL FOR APPLICATIONS FOR GLOBALLY CERTIFIED SKILLS IN OIL AND GAS

Uganda Petroleum Institute Kigumba (UPIK) is an accredited Center for International Vocational Qualifications (IVQs) Training in Oil and Gas. The Institute is an Approved Centre for City & Guilds and in the final stages of gaining accreditation by Engineering Construction Industry Training Board (ECITB). UPIK will soon become Africa's first accredited Oil and Gas Operations & Maintenance Training Center by Offshore Petroleum Industry Training Organization (OPITO), the world's most highly ranked Authority in Oil and Gas Training.

Established by the Statutory Instrument No.31 of 2011, entitled, "The Universities and Other Tertiary Institutions (Establishment of Uganda Petroleum Institute – Kigumba), UPIK is a Government Tertiary Institution under the Ministry of Education and Sports.

Working in Partnership with the Worldbank and IFP-Training, France, UPIK recently developed highly competitive, internationally adapted, and recognised Competency Based Training Programmes for Petroleum Operations and Maintenance Programmes.

The Office of the Academic Registrar now invites all interested applicants; Ugandans, East African Nationals and International Candidates for the first cohort of trainees.

ELIGIBLE CANDIDATES:

Eligible Candidates for the International Vocational Qualification Programmes should have:

- ✓ Prior learning in relevant science and engineering fields or at least one year of industrial experience in a related field.
